

Report of SSIP Awareness Program held on 26th October, 2021

The SSIP Awareness Program was organized by SSIP Cell, ROFEL, Shri G M Bilakhia College of Pharmacy, Vapi on 26th October, 2021. For the purpose of awareness of SSIP and related schemes, a hybrid online lecture was held on the topic - **“Understanding and Building Skills for Creativity, Innovation and Startups.”** The eminent speaker for the lecture was Dr. Kashyap Mokariya and the event was organized in Hybrid Mode (Online through Google Meet and Offline in the college premises). The event was organized by Dr. Hitesh Dalvadi, SSIP Coordinator, Professor, Rofel Shri G M Bilakhia College of Pharmacy.

Dr. Kashyap Mokariya is working as Head of Department, Department of Electrical Engineering, Government Engineering College, Valsad. He is an SSIP coordinator of that college. He has given series of lectures for the patent and innovation popularization. More than 100 participants joined the event either in online or offline mode from different regions of India. Participants got enriched knowledge about innovation, creativity and patents from an experienced speaker. This lecture will help the innovators to aggressively work for their innovative work and will help them to understand various schemes provided by the government for promotion of innovation. At the end of lecture, question & answers session was held to resolve doubts of participants.
