International Women's Day, is celebrated each year on 8th March, honoring the social, economic, cultural and political achievements of women around the globe. We at ROFEL Shri G. M. Bilakhia College of Pharmacy, Vapi had celebrated International Women's Day (IWD) 2022 on 8th March. The theme of this year IWD celebration was "Gender equality today for a sustainable tomorrow". "What I want young women and girls to know is: You are powerful and your voice matters"- This quote of Kamala Harris, Vice President of United States inspires us (All Women) to choose challenges of the world, have our voice and make our presence count. Our celebration was boosted with the presence of B.K. Rashmiben, Head Incharge of Brahmakumari Vapi Unit. She delivered a talk focusing on women empowerment. She also emphasized on the role of meditation and spirituality in the successful life. The talk was highly detailed and informative for all. Her conversation with girls (students) was very encouraging.
