**Association Partner: Excellence Global Skills**

**Date and Venue: 27, 28/01/2023, Classroom-1**

**Total Beneficiary: 80 Participants of Final Year B Pharm and First Year M Pharm**

**Summary Report:** on 27 and 28th of January, 2023 Excellence Global Skills in association with ROFEL Shri G M Bilakhia College of Pharmacy organized training program on Financial wellness enhancement program. Excellence global skills academy behalf of SEBI & NISM propose to initiate a wealth awareness program for Final year students and Mpharm students, for the benefit of their bright future. The approach is based on maximizing every individual's full potential through applied practical knowledge; best practices because Professional Financial education and training are critical elements for having a successful career for the people Through this two days training program participants be able to manage their basic education of wealth. Trainer Mr Bhavik Shah conducted training so participants can plan for the different stages including their post retirement face. Mr Shah also conducted session to guide how students will be able to secure themselves and their families for the future. The prime objective of training session was to make students aware about the financial planning components. Mr Shah also made students understand how to choose the right financial asset classes according to their risk profile.
