## Research Publications in Journals during Year 2020

1. Saloni Desai. Estimation of Caffeine content from soft and energy drinks obtained from religion market by UV Spectroscopy and TLC. **International Journal of Scientific and Development Research**. 2020; 5 (4); 96-104 ISSN: 2455-2631
2. Dr. Bhupendra Prajapati, Ms. Shruti Rao, Mr. Tularam Barot. Development Optimization and Evaluation of Liquid Compact Tablet of Aripiprazole by using Factorial Design. **International Journal of Pharmaceutical Research**. 2020; 12 (3): 862-869: ISSN 0975-2366
3. Drashti Mukeshsinh Parmar, Madhuri Hinge, Khyati Khalpa Dhodi. Solubility Enhancement of Ranolazine by Hydrotopic Method. **International Journal of Chemical and Pharmaceutical Analysis**. 2020; 7 (3); 1-7: eISSN 2348-0726 pISSN 2395-2466
4. Kritika Garg, Arindam Paul, Mittal Dalal and Hardik Soni. Evaluation of acid neutralizing and antiulcer potential of a poly-herbal formulation. **International Journal of Herbal Medicine**. 2020; 8 (5); 33-41: eISSN 2321-2187 pISSN 2394-0514
5. Kamli Ankita, Shah Megha and Hinge Madhuri. Quality by design approach (QBD) for the simultaneous estimation of Candesartan Cilexetile and Amlodipine Besylate by RP-HPLC. **Indian Drugs**. 2020; 57(8); 41-52: ISSN 0019-462X
6. Dhodi Khyati and Dr. Alisha Patel. Development and Validation of RP-HPLC method for simultaneous estimation of Levofloxacin and Prednisolone acetate in synthetic mixture. **International Journal of Pharmacy and Pharmaceutical Research**. 2020; 18(4); 159-170 ISSN 2349-7203
7. Anchal Signh, Madhuri Hinge. Spectrophotometric Determination of Beclomethasone Dipropionate in its Pharmaceutical Dosage Form using Quality by Design Approach. **Journal of Pharmaceutical Science and Bioscientific Research**. 2020; 10(1); 113-119 ISSN 2271-3681
8. Hitesh P Dalvadi, Pritesh J Patel, Nirmal Vashi and Arindam Paul. Venlafaxine Hydrochloride Controlled Release Bilayer Tablets: Optimization of Formulation Variable by Using Dyspnea on Exertion. **International Journal of Pharmaceutical Sciences and Drug Research**. 2020; 12(2): 141-147: ISSN 0975-248X
