# ABOUT UNIVERSITY

**Rajju Shroff ROFEL University** is a State Private University, established by Govt. of Gujarat vide its Act No. 7 of Gujarat Private Universities (Amendment) Act of 2023 further amending the Gujarat Private Universities Act No. 8 of 2009 and approved under section 22 of UGC Act 1956. Rajju Shroff ROFEL University, Vapi is committed to promote academic and industrial activities. Nurtured with passion and powered by intellect, it ignites in its scholars the spirit of innovation, dynamism, professionalism to build a brighter and successful career from them. Promoter body of Rajju Shroff ROFEL University, Vapi - ROFEL Trust (Rotary Foundation for Educational and Learning Trust), Valsad District was set up in the year 1985 by Rotary Club of Vapi, and United Phosphorous Ltd (UPL). Rajju Shroff ROFEL University, Vapi is highly committed for the social growth in the field of education and working for the Rotary World's mission of "Service above self". Rotarian and Chairman of United Phosphorous Ltd., Padma Bhushan Shri Rajjubhai Shroff is heading Rajju Shroff ROFEL University as Chairman. Hon'ble Shri Kanubhai Desai (Cabinet Minister of Finance, Energy and Petrochemicals, Govt. of Gujarat) is a trust member and the Club Mentor Past Rotary International President Rtn. Kalyan Banerjee are the think tanks of the University.

## ABOUT TRUST

ROTARY CLUB OF VAPI - a Member Club of Rotary International devoted to social work; has established in 1985 an Educational Trust named 'ROTARY FOUNDATION FOR EDUCATION AND LEARNING' Popularly known as 'ROFEL' to provide educational facilities in the region at all levels. In the initial years, the trust organized and awarded scholarships to local students to enable them to study outside Vapi in various disciplines, ranging from engineering and medicine to business administration, arts and commerce.

## ABOUT INSTITUTE

**ROFEL Shri G.M. Bilakhia College** of Pharmacy is a modern temple of learning founded in 1999 by ROFEL Trust where quality education is more than a philosophy. It is one of the premier pharmacy colleges in India, imparting quality pharmaceutical education and training for the more than two decades, offering undergraduate and postgraduate course in Pharmacy. The foundation of the college was laid from the generous donation from well-known Industrialist Padmabhusan Shri G. M. Bilakhia. Since 1999, many pharmacists (B. Pharm. and M. Pharm. graduates) of ROFEL now hold prominent positions in industry and academia, both in India and abroad. The college is located in ROFEL Namdha Campus which is about 1.5 Km from Vapi Railway Station and about 2 Kms from Vapi GSRTC Bus Stand. The Vapi Railway Station is on the Ahmedabad-Mumbai Rail Route. The ROFEL Namdha campus is about 5 Km from GIDC-Vapi Gunjan Highway Cross road on Vadodara-Mumbai #NH-48. The college is involved significantly in Research & Development in the field of Pharmacy. The college and its faculty are mainly focused in three areas - Formulation Development, Analytical Method Development and Pharmacological Research. College has rich resources of faculty to nurture the research aptitude of the students.

# ABOUT PHARMACOVIGILANCE WEEK

Pharmacovigilance Week is observed every year to raise awareness about the importance of reporting Adverse Drug Reactions (ADRs) and Adverse Events (AEs). It highlights the critical role of healthcare professionals, students, and the community in ensuring patient safety through timely reporting to the Pharmacovigilance Programme of India (PvPI).

This initiative empowers individuals to contribute towards safer medicines and effective healthcare by promoting vigilance, responsibility, and awareness. Together, we can build a culture of patient safety where every report matters.

Pharmacovigilance Week 2025 is being celebrated with the theme **“Your Safety, Just a Click Away: Report to PvPI.”** This theme emphasizes that drug safety is now within everyone’s reach, highlighting the ease of reporting Adverse Drug Reactions (ADRs) through digital platforms such as mobile apps, online portals, and helplines. By making reporting simple and accessible, it empowers not only healthcare professionals but also patients, students, and the general public to actively participate in ensuring safer medicines. Timely reporting leads to faster identification of adverse effects, strengthens trust in the healthcare system, and ultimately contributes to better patient outcomes. In this digital age, where every click matters, let us pledge to be vigilant, aware, and responsible, because your report today can save lives tomorrow.

## WHY DRUG SAFETY MATTERS?

Adverse Drug Reactions (ADRs) are a silent but serious concern, responsible for nearly 5-10% of hospital admissions worldwide. To address this, the World Health Organization emphasizes pharmacovigilance as a key pillar of patient safety.

In India, the Pharmacovigilance Programme of India (PvPI) is actively working to make medicines safer by collecting and analyzing ADR reports. Every report—big or small—matters. ADRs can be reported directly to your hospital or college’s Pharmacovigilance Committee, through the PvPI helpline **(1800-180-3024)**, or via the ADR Reporting Mobile App. By taking this small but crucial step, healthcare professionals, students, and patients collectively strengthen the healthcare system and protect lives. Remember: Your report today can save a life tomorrow.

Safe use of medicines is the foundation of better health. Even the most effective drugs can cause unexpected side effects. By reporting Adverse Drug Reactions (ADRs) and being aware of Drug-Drug Interactions, we can prevent harm, protect patients, and improve treatment outcomes.

Every report strengthens the Pharmacovigilance Programme of India (PvPI) and ensures safer medicines for tomorrow.

**Your vigilance today = Safer healthcare tomorrow.**

# EVENT SPONSER- INNER WHEEL CLUB OF VAPI

*Women in Action for a Better Tomorrow*

The Inner Wheel Club of Vapi, a vibrant part of Inner Wheel District 306 (Charter No. 2458, established on 5th January 1981), is dedicated to fostering community service, social responsibility, and women's empowerment. As a local branch of Inner Wheel International—one of the world's largest voluntary women's service organizations—the club continues to create meaningful change through innovative projects.

Flagship Project:

★ **One Year, One Happy School**

The flagship initiative of the Inner Wheel Club of Vapi, **"One Year, One Happy School"**, is a transformative program designed to bring dignity, equality, and joy to underprivileged children. **Under this project, the club adopts a school each year and works to fulfill its most essential needs.** From providing school uniforms and basic necessities to ensure that every child feels confident and included, to building separate toilets for boys and girls that uphold hygiene and dignity, the project addresses both physical and emotional well-being. Infrastructure is improved through upgraded classrooms, benches, and learning resources, creating an environment that nurtures curiosity and learning. **Beyond these basics, the initiative instills hope, safety, and happiness in young minds, turning ordinary schools into "Happy Schools" where children not only learn but truly thrive.**

## ❖ Signature Initiatives:

**Only Ladies Blood Donation Camp** – A unique initiative proudly organized for the past 27 consecutive years, encouraging women to contribute to society's lifeline.

**Eco-Friendly Endeavors** – From creating EcoBricks sculptures to making and distributing paper bags to medical shops, the club actively drives the movement against plastic pollution. Their "Say No to Plastic" campaign also reaches schools and colleges, instilling eco-consciousness among students.

**Healthcare & Hygiene Support** – Distribution of sanitary napkins at Bagwada School and Abrama School in Valsad, promoting menstrual hygiene and dignity for young girls.

**Cervical Cancer Awareness & Vaccination Drive** – In collaboration with experts Dr. Aditi Nadkarni and Dr. Saumya Nadkarni, the club organized an impactful awareness program at KBS College. As part of this initiative, 100 college girls will receive the complete 3-dose cervical cancer vaccine, empowering them with both knowledge and protection.

**Meals on Wheels** – Through its Meals on Wheels initiative, the Inner Wheel Club of Vapi serves freshly prepared meals every single day at Maa Janam Charitable Trust, Vapi, old age homes and school for specially abled children. This noble act goes beyond filling hunger—it brings comfort, dignity, and a sense of belonging to those in need. By turning compassion into action daily, the club ensures that kindness is served on every plate

**Awareness Programs** – Sessions on Good Touch & Bad Touch, Menstrual Hygiene, and Drug Abuse (including a campaign at the Railway Station).

**Environment Care** – Collection of e-waste, wet waste converted into manure, EcoBricks sculptures, paper bag distribution, and creating Inner Wheel & Ayurvedic Gardens.

**Skill Development** – Training women and students in making diyas, bangles, necklaces, and earrings to encourage creativity and selfreliance.

**With every initiative, the Inner Wheel Club of Vapi leaves no stone unturned for the betterment of society and the environment**
