EXPERT ALUMNI TALK SERIES-2024

Date: 14/12/2024

Place: Classroom 1 and 7

No of Participants: 90

Summary:

The Internal Quality Assurance Cell (IQAC) of ROFEL Shri G.M. Bilakhia College of Pharmacy organized a Expert alumni talk series-2024. This event aimed to address Real-world examples of using Graph Pad Prism in research projects, highlighting its advantages over other tools. The event was inaugurated by a welcome address by Ms. Ayesha Godal. Guests were welcomed with flowers as a token of appreciation, followed by a brief introduction of the speakers.

First Session by Ms. Pinki Purohit (post-marketing specialist at Meril Life Sciences, Vapi)

Ms. Pinki works at Meril Life Sciences, as a Post-marketing specialist and clinical evaluation report writer. She has also completed her B.Pharm and M Pharm from ROFEL Shri G M bilakhia College of Pharmacy only. Ms. Pinki explained that the Medical writing plays a critical role in both clinical and preclinical research. It serves as the bridge between complex scientific data and its clear, precise communication to diverse audiences, including regulatory authorities, healthcare professionals, and the general public. Ms Pinki also explained Medical writing is indispensable in clinical and preclinical research, ensuring that scientific data is accurately, clearly, and ethically communicated. It supports regulatory compliance, facilitates drug development, enhances patient safety, and promotes the dissemination of knowledge. As the complexity of research and regulatory requirements grows, the role of skilled medical writers becomes increasingly vital to the success of research and development in the life sciences. Ms Pinki shared for preclinical and clinical studies, medical writers often prepare lay summaries or educational materials to communicate findings to non-expert audiences, such as patients, advocacy groups, or policymakers.

Dr. Arindam Paul
Dean- Principal
Faculty of Pharmacy

**ROTARY BALAR AUDITORIUM, ROFEL
NAMDHA CAMPUS, VAPI**

Ms. Pinki delivered a session on importance of medical writing in clinical and preclinical research.

Second Session Ms. Dhruvi Patel (Pharmacovigilance officer, APCER Life science, Ahmedabad)

Ms. Dhruvi Patel delivered practical training on Graph Pad Prism, which was a resounding success, providing participants with useful knowledge and motivation to adopt the software in their academic and professional work. The session reinforced the importance of alumni involvement in fostering skill development and bridging the gap between academia and industry. Ms. Dhruvi also explained Customization, exporting graphs, and integrating Graph Pad Prism with other tools related to the advanced application of Graph Pad. Ms Dhruvi also shared key functionalities like Data organization techniques, Statistical analysis options (e.g., t-tests, ANOVA, regression models), and creating high-quality graphs for publications. M Pharm Pharmacology Participants engaged with the speaker through a lively Q&A session, discussing challenges, advanced techniques, and practical use cases of Graph Pad Prism.

Ms. Dhruvi Patel delivered a Session on Graphpad Prism software

Third Session by Ms. Anali Patel (Gym Trainer and Freelancer at Vapi)

Ms Anali Patel won various power lifting competition awards during her post-graduation at ROFEL. Therefore, to encourage undergraduates about the importance of self-defense she delivered a motivational session with some practical tips to first-year B Pharm students. Ms Anali explained for undergraduates, self-defense is more than just a physical skill—it's a tool for personal growth, safety, and confidence. It prepares students to navigate the challenges of independence, enhances their ability to protect themselves and others, and equips them with mental and physical resilience for the future.
