Summary:

On October 3, 2025, the Internal Quality Assurance Cell (IQAC) of Rofel Shri G. M. Bilakhia College of Pharmacy, a constituent college of Rajju Shroff ROFEL University, hosted a distinguished expert talk on **“Blood Dynamics: From Composition to Physiological Significance.”** by **Dr. Riteshkumar Arya, Scientist C in the Department of Clinical Microbiology and Infectious Diseases at All India Institute of Medical Sciences (AIIMS), Rajkot-** an institution of national importance under the **Ministry of Health and Family Welfare, Government of India.**

Dr. Arya holds a **Ph.D. in Life Sciences (Microbiology)** and a **Post-Graduate Diploma in Intellectual Property Rights** with **numerous national and international publications, multiple patents,** and several **prestigious awards** to his credit, including the **Presidential Award for Outstanding Research (2023)** and the **Young Scientist Award (2020).**

The session, aimed at B. Pharm and D. Pharm students, was delivered by an esteemed expert who provided in-depth insights into the structure and function of blood and its vital physiological roles. The lecture was praised for its clarity, engaging delivery, and strong connection to real-world applications. The event commenced with a floral welcome of the distinguished speakers, Dr. Riteshkumar Arya, by Dr. Hitesh Dalvadi, Professor, Pharmaceutics Department. Faculty members and students warmly greeted the guests. The session was formally initiated by Ms. Bijal Patel, the emcee of the event, who introduced the esteemed speakers and set the tone for an insightful discussion.

Students actively participated in the interactive session, which not only deepened their understanding but also sparked greater interest in clinical microbiology and related fields. The college expressed heartfelt gratitude for the expert's valuable contribution and looks forward to future collaborations.
